**APPLICATION FOR ADJOURNMENT, OR ENLARGEMENT OF TIME BY WAY OF MEMO  
ENDORSED ORDER**

Dear Judge Torres,

The Plaintiff respectfully [Renzer Bell v. Andrew Michael Koss, Dr. Kain Kumar et al. case no. **17 CV 07762(ANT)(DCF)**] seeks leave of the Court for a brief adjournment, or enlargement of his time to file documents seeking default judgment against the defendants Andrew Michael Koss, and Exotic Euro Cars.

The original date ordered by the Court was December 6, 2021.

The Plaintiff previously sought leave of the Court for an adjournment, or enlargement on one (1) occasion, and the application was granted thereby extending the deadline to file the documents until January 8, 2022.

The Plaintiff sought to cure the functional issues of the MacBook Pro by using a firm identified as being part of the "Apple Consultants Network", and not an Apple Authorized Repair Partner. The firm, Mac + PC Tech Pro, required two (2) service engagements to make repairs, and replace parts since the first attempt did not cure the malfunction, and the last service engagement completed on Friday, January 7, 2022.

The Plaintiff might yet meet the adjourned deadline of January 8, 2022, however the voluminous submission requires multiple scans of not more than ten (10) megabytes to meet the throughput maximum of the Pro Se digital filing utility, and the Plaintiff is attempting to understand how to use his scanner to produce a submission that will be simple to identify, and file when it reaches the Pro Se Intake Unit. The Plaintiff's new Xerox DocuMate 6440 scanner creates quality reproductions but in large file sizes.

The additional time sought is calculated to prevent the Plaintiff from being in violation of the Court's directives without approaching the Court to explain the circumstance before the deadline passed.

WHEREFORE, the Plaintiff respectfully seeks leave of this Court for an Order, pursuant to Local Civil Rules Local Civil Rules 6.1, 6.2, 6.4, and 7.1, and Federal Rule of Civil Procedure 6 granting the Plaintiff until January 15, 2022 to complete the filing of the

default judgment motion by Order To Show Cause with the Clerk of Court, and granting such other and further relief as the Court deems just, and equitable.

Thank you for your attention, and consideration.

Respectfully,  
  
Renzer Bell
